Assignment 0 - Limericks

Steve Boucher

September 2022

1 Why I chose C++

I think I shall code in C++
Cuz I would really enjoy an A+
    I wont Cry
    I won't even Sigh
And I'll try to not make a big fuss

2 Puzzles

Gaming and coding are more alike than one make think
Both can be fun but sometimes can stink
    I'll try a new game
    I'll have fun I exclaim
My coding will share this same link
